

MINUTES OF THE SEPTEMBER 2018 SMARC MEETING

The Smoky Mountain Amateur Radio Club met at 7:00 PM, 09/24/18 at the USW Union Hall in Alcoa, TN. As planned, the September gathering was scheduled to be a parking lot tailgate hamfest followed by a BBQ sandwich supper.

There were 30 members and 3 visitors present.

The visitors were: Betty Peabody, Brian Negele-KM4JCH and Kathy Kaun

A few members visited the parking lot prior to coming inside for the BBQ. No business meeting or program was scheduled for the meeting. Those in attendance enjoyed the BBQ sandwiches and sides of slaw, baked beans potato chips, cookies and a drink of choice. After everyone had all they wanted to eat and since there was plenty of BBQ meat left, A few members opted to go home with a Zip-Lok bag or two of BBQ.

After the eating, the meeting adjourned to the parking lot for the tailgate, while a few stayed inside for "eyeball" QSO's.

The meeting closed at 8:20 PM
